6500 employees
£6bn revenue
450 stores
over 25 million customers nationwide
The Changing Workplace

Technology is revolutionising the way we live and work and therefore thinking inclusively is even more critical

- The world of work is changing
- 4 generations working side by side
- 1.1 million people work past 65 years of age
- Sandwich carers
- 27% of the UK workforce work part time
- Preparing for jobs that don’t yet exist
So what are companies looking for?

- Judgement
- Drive
- Influence
Let's talk about Sheffield University Management School...
